Bridge Building

Middle Valley Elementary 2nd grade teacher, Lauren Pritchett, was recently recognized by the Fund for Teachers and the Public Education Foundation as a 2019 Fellow. She was awarded almost $5,000 to examine the economic and relational nature of bridges across the United Kingdom in order to lead second graders in a parallel study of Chattanooga's bridges and the science, people, and history behind them.

Her recognition stated, "Your proposal stands out for its bold vision and your commitment to push the boundaries of your own learning. As a Fund for Teachers Fellow, you will be joining a community of more than 8,000 educators who – like you – are passionate about sharing knowledge and helping students reach new horizons. Though your fellowship journey has just begun, it is far from over."

ReMake Learning

Join us for the inaugural CHA Learning Days, a festival of hands-on and engaging learning events for all youth. From maker events in Chattanooga's public libraries and youth and family development centers, to STEM nights, girls coding events, and electric racecars, there is something for everyone. The City of Chattanooga, WTCI, and the Public Education Foundation are proud to be a part of the Remake Learning Days Across America!

Click the buttons below to learn about all the events in the Chattanooga area and/or specific events at North River schools.

Chattanooga ReMake Learning Events

- S.P.A.R.K. - Sale Creek
- Soddy Elementary Refresh & Renew

Budget Listening Sessions

Want to learn more about the 2019-20 budget? Plan to attend one (or more) of the following Listening Sessions.

Learn More About the Budget Process

Chattanooga Green Prix

Come out and support our North River schools participating in the Chattanooga Green Prix. On May 10 & 11, Hixson Middle, Soddy Daisy Middle, and Sequoyah High will be showing off their entries in this electric car race at Chattanooga State Technical Community College. The purpose of the Green Prix is to advance education in the subjects of sustainable engineering and technology to young people. Greenpower runs engineering challenges for schools based around designing and building a single seat electric powered race car.

Countdown to Kindergarten Launch

Join us on Saturday, April 27 from 11 a.m. to 3 p.m. at the Creative Discovery Museum for their Countdown to Kindergarten event. There will be many hands-on activities to allow rising kindergartners to prepare for the coming school year. Please click the button below for more information.

Summer Enrichment Opportunities

Keeping children engaged and active during the summer months is vital to continuing their growth as a student. Hamilton County Schools is offering a wide variety of programming this summer to help students avoid the "summer slide" and advance their learning into the next school year. Click the button below for more information.

Sign Up for Summer School Age Child Care

April 27 - Countdown to Kindergarten Launch
April 30 - Last Day to Register for Summer Child Care
April 20 - May 8 - Budget Listening Sessions (see above for details)
May 10 & 11 - Chattanooga Green Prix
